

Cari amici

è con enorme piacere che vi diamo il benvenuto all'ELVO'S FOAL FESTIVAL, una tre giorni dedicata all'allevamento che culminerà con la Breeding Auction di sabato 2 settembre.

Il team Elvo Stables ha intrapreso quest'avventura con il chiaro obiettivo di proporre al di fuori dei confini nazionali alcuni dei migliori prodotti dell'allevamento italiano, mostrando le qualità e le enormi potenzialità che questo può offrire al pubblico internazionale.

L'ELVO'S FOAL FESTIVAL e la Breeding Auction rappresentano per noi una prima esperienza, ma stiamo già lavorando perché si rinnovi con cadenza annuale.

Siamo orgogliosi di presentarvi la collezione di 31 lotti che verranno battuti in asta, una selezione che presenta soggetti dalle caratteristiche moderne, con linee di sangue prestigiose e stalloni confermati ai massimi livelli da riproduttori come nello sport.

La maggior parte dei foal presentati in asta hanno origini strettamente legate con i cavalli che proprio in questi giorni stanno affrontando il Campionato Europeo di salto ostacoli all'Ippodromo Snai di San Siro a Milano.

Desideriamo ringraziare tutti gli allevatori che hanno creduto in noi e nella nostra manifestazione, ma anche i groom, gli handler e tutte le persone coinvolte nell'organizzazione dell'ELVO'S FOAL FESTIVAL.

Vorremmo inoltre salutare anche i protagonisti del Campionato Europeo e a tutti loro va il nostro "in bocca al lupo".

Cari amici, vi invitiamo a prendere posto, godervi la serata, la musica, la cena e l'atmosfera che solo un'asta sa regalare.

Buon divertimento, arrivederci al prossimo anno.

Dear friends, dear guests,

With pleasure we welcome you to the ELVO'S FOAL FESTIVAL, three days dedicated to the breeding world that will end with a Breeding Auction on Saturday 2nd of September.

Elvo Stables's team begin this adventure with the target to offer also outside of national borders some of the best products of the Italian breeding, showing quality and potential that this offer to the international public.

The ELVO'S FOAL FESTIVAL and his Breeding Auction are our first experience, but we are working to make this an annual appointment already.

We are proud to present you the 31 lots collection that will be bid, a representing selection of modern characteristics, with prestigious blood lines and stallions known internationally both for breeding and sport.

The most of our foal presented at the auction are related with the horses that in those days will take part at the European Championship of show jumping at Ippodromo Snai of San Siro in Milan.

We would like to thank all the breeders that believed in us and in our event, but also the grooms, handlers and all the people involved in ELVO'S FOAL FESTIVAL organization.

We would also like to welcome all the stars of the European Championship and a big 'good luck' to all of them.

Dear friends, dear guests, please take a seat, enjoy the evening, the music, the dinner and the atmosphere that only an auction can give.

Have fun, see you next year.
